|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | XC6108N48BGR-G                                                                                                       |
| Manufacturer/Brand: | Torex Semiconductor Ltd.                                                                                             |
| Product description | IC SUPERVISOR 4.8V 4-USP                                                                                             |
| Datasheets:         |  <a href="#">XC6108N48BGR-G.pdf</a> |
| RoHs Status         |  Lead free / RoHS Compliant         |
| Stock Condition     | 5991 pcs stock                                                                                                       |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

REQUEST FOR QUOTATION

Specifications of XC6108N48BGR-G

|                                  |                                                                                                                        |
|----------------------------------|------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | XC6108N48BGR-G                                                                                                         |
| MANUFACTURER                     | Torex Semiconductor Ltd.                                                                                               |
| DESCRIPTION                      | IC SUPERVISOR 4.8V 4-USP                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| QUANTITY AVAILABLE               | 5991 pcs                                                                                                               |
| DATA SHEET                       |  <a href="#">XC6108N48BGR-G.pdf</a> |
| VOLTAGE - THRESHOLD              | 4.8V                                                                                                                   |
| TYPE                             | Voltage Detector                                                                                                       |
| SUPPLIER DEVICE PACKAGE          | 4-USP (1.2x1.6)                                                                                                        |
| SERIES                           | -                                                                                                                      |
| RESET TIMEOUT                    | -                                                                                                                      |
| RESET                            | Active Low                                                                                                             |
| PACKAGING                        | Tape & Reel (TR)                                                                                                       |
| PACKAGE / CASE                   | 4-UDFN Exposed Pad                                                                                                     |
| OUTPUT                           | Open Drain or Open Collector                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                      |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 1 Channel 4-USP (1.2x1.6)                                                      |
