Part Number:  
Manufacturer/Brand:  
Product description  
Datasheets:  
RoHs Status  
Stock Condition  
Ship From  
Shipment Way

NC7NZ04L8X  
Fairchild/ON Semiconductor  
IC INVERTER USH 8-MICROPAK  
 NC7NZ04L8X.pdf  
 Lead free / RoHS Compliant  
470777 pcs stock  
Hong Kong  
DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

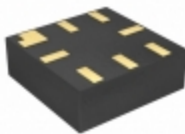

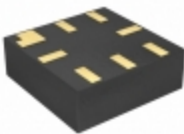

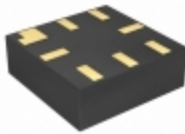

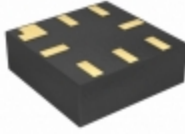

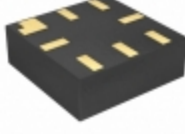

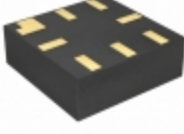

Specifications of NC7NZ04L8X

|                                  |                                                                                                    |
|----------------------------------|----------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NC7NZ04L8X                                                                                         |
| MANUFACTURER                     | Fairchild/ON Semiconductor                                                                         |
| DESCRIPTION                      | IC INVERTER USH 8-MICROPAK                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| QUANTITY AVAILABLE               | 470777 pcs                                                                                         |
| DATA SHEET                       |  NC7NZ04L8X.pdf |
| VOLTAGE - BREAKDOWN              | 8-MicroPak™                                                                                        |
| TIMING                           | 32mA, 32mA                                                                                         |
| SHELL STYLE                      | 1.65 V ~ 5.5 V                                                                                     |
| SERIES                           | 7NZ                                                                                                |
| SCHMITT TRIGGER INPUT            | -                                                                                                  |
| ROHS STATUS                      | Tape & Reel (TR)                                                                                   |
| RATIO - S/H:ADC                  | 3                                                                                                  |
| POLARIZATION                     | 8-UFQFN                                                                                            |
| OTHER NAMES                      | NC7NZ04L8X-ND<br>NC7NZ04L8XFSTR                                                                    |
| ORIENTATION                      | 3                                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                       |
| NUMBER OF BITS PER ELEMENT       | Inverter                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                      |
| MANUFACTURER PART NUMBER         | NC7NZ04L8X                                                                                         |
| LOGIC LEVEL - HIGH               | -                                                                                                  |
| FEATURES                         | -                                                                                                  |
| EXPANDED DESCRIPTION             | Inverter IC 3 Channel 8-MicroPak™                                                                  |
| DESCRIPTION                      | IC INVERTER USH 8-MICROPAK                                                                         |
| CURRENT - QUIESCENT              | 3.6ns @ 5V, 50pF                                                                                   |
| CMRR, PSRR (TYP)                 | 1µA                                                                                                |
