

NXP Semiconductors / Freescale

### NCF2960MHN/T0B04CJ

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | NCF2960MHN/T0B04CJ             |
| Manufacturer/Brand: | NXP Semiconductors / Freescale |
| Product description | SMART 2                        |
| Datasheets:         |                                |
| Stock Condition     | 31303 pcs stock                |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

REQUEST FOR QUOTATION

#### Specifications of NCF2960MHN/T0B04CJ

|                                |                                                                     |
|--------------------------------|---------------------------------------------------------------------|
| PART NUMBER                    | NCF2960MHN/T0B04CJ                                                  |
| MANUFACTURER                   | NXP Semiconductors / Freescale                                      |
| DESCRIPTION                    | SMART 2                                                             |
| LEAD FREE STATUS / ROHS STATUS |                                                                     |
| QUANTITY AVAILABLE             | 31303 pcs                                                           |
| DATA SHEET                     |                                                                     |
| VOLTAGE - SUPPLY               | 2.1 V ~ 3.6 V                                                       |
| TYPE                           | Passive Entry/Start                                                 |
| STANDARDS                      | -                                                                   |
| SERIES                         | -                                                                   |
| OTHER NAMES                    | 935307967118                                                        |
| OPERATING TEMPERATURE          | -                                                                   |
| INTERFACE                      | -                                                                   |
| FREQUENCY                      | 315MHz, 434MHz, 868MHz, 915MHz                                      |
| DETAILED DESCRIPTION           | Passive Entry/Start IC 315MHz, 434MHz, 868MHz, 915MHz 2.1 V ~ 3.6 V |
