| QUANTITY AVAILABLE               | 20952 pcs                                                                                     |
| DATA SHEET                       |                                                                                               |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                                   |
| TOPOLOGY                         | ADC (Sigma Delta), Comparator, Fan Speed Control, Register Bank                               |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                        |
| SERIES                           | -                                                                                             |
| SENSOR TYPE                      | Internal and External                                                                         |
| SENSING TEMPERATURE              | 0°C ~ 125°C                                                                                   |
| PACKAGING                        | Tube                                                                                          |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                 |
| OUTPUT TYPE                      | 2-Wire SMBus                                                                                  |
| OUTPUT FAN                       | Yes                                                                                           |
| OUTPUT ALARM                     | Yes                                                                                           |
| OTHER NAMES                      | *LM63DIMA/NOPB<br>LM63DIMANOPB                                                                |
| OPERATING TEMPERATURE            | 0°C ~ 85°C                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                    |
| FUNCTION                         | Fan Control, Temp Monitor                                                                     |
| DETAILED DESCRIPTION             | Fan Control, Temp Monitor 0°C ~ 125°C Internal and External Sensor 2-Wire SMBus Output 8-SOIC |
| BASE PART NUMBER                 | LM63                                                                                          |
| ACCURACY                         | ±3°C                                                                                          |
