TDA7057AQ/N2,112

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | TDA7057AQ/N2,112                                                                                             |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC AMP AUD BTL 8W 13PDBS                                                                                     |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 3201 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

| MANUFACTURER                       | NXP Semiconductors / Freescale                                    |
| DESCRIPTION                        | IC AMP AUD BTL 8W 13PDBS                                          |
| LEAD FREE STATUS / ROHS STATUS     | Lead free / RoHS Compliant                                        |
| QUANTITY AVAILABLE                 | 3201 pcs                                                          |
| DATA SHEET                         |                                                                   |
| VOLTAGE - SUPPLY                   | 4.5 V ~ 18 V                                                      |
| TYPE                               | Class AB                                                          |
| SUPPLIER DEVICE PACKAGE            | 13-PDBS                                                           |
| SERIES                             | -                                                                 |
| PACKAGING                          | Tube                                                              |
| PACKAGE / CASE                     | 13-SIP Formed Leads                                               |
| OUTPUT TYPE                        | 2-Channel (Stereo)                                                |
| OTHER NAMES                        | 568-1143-5<br>935186180112<br>TDA7057AQU                          |
| OPERATING TEMPERATURE              | -40°C ~ 85°C (TA)                                                 |
| MOUNTING TYPE                      | Through Hole                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL)   | 1 (Unlimited)                                                     |
| MAX OUTPUT POWER X CHANNELS @ LOAD | 8W x 2 @ 8 Ohm                                                    |
| LEAD FREE STATUS / ROHS STATUS     | Lead free / RoHS Compliant                                        |
| FEATURES                           | Depop, Mute, Short-Circuit and Thermal Protection, Volume Control |
| DETAILED DESCRIPTION               | Amplifier IC 2-Channel (Stereo) Class AB 13-PDBS                  |
| BASE PART NUMBER                   | TDA7057                                                           |
