

A16L-JGM-5-2

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | A16L-JGM-5-2                   |
| Manufacturer/Brand: | Omron Automation & Safety      |
| Product description | SWITCH PUSHBUTTON DPDT 5A 125V |
| Datasheets:         | A16L-JGM-5-2.pdf               |
| RoHs Status         | Lead free / RoHS Compliant     |
| Stock Condition     | 6242 pcs stock                 |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

REQUEST FOR QUOTATION

Specifications of A16L-JGM-5-2

|                                  |                                                                 |
|----------------------------------|-----------------------------------------------------------------|
| PART NUMBER                      | A16L-JGM-5-2                                                    |
| MANUFACTURER                     | Omron Automation & Safety                                       |
| DESCRIPTION                      | SWITCH PUSHBUTTON DPDT 5A 125V                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| QUANTITY AVAILABLE               | 6242 pcs                                                        |

| VOLTAGE RATING - AC              | 125V                                                            |
| TYPE                             | Standard, Illuminated                                           |
| TERMINATION STYLE                | Solder, Quick Connect - 0.110" (2.8mm)                          |
| SWITCH FUNCTION                  | On-Mom                                                          |
| SERIES                           | A16                                                             |
| PANEL CUTOUT DIMENSIONS          | Circular - 16.00mm Dia                                          |
| PACKAGING                        | Bulk                                                            |
| OTHER NAMES                      | A16LJGM52Q                                                      |
| OPERATING TEMPERATURE            | -10°C ~ 55°C                                                    |
| MOUNTING TYPE                    | Panel Mount, Front                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                   |
| MECHANICAL LIFE                  | 2,000,000 Cycles                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| INGRESS PROTECTION               | IP40                                                            |
| ILLUMINATION VOLTAGE (NOMINAL)   | 5 VAC/DC                                                        |
| ILLUMINATION TYPE, COLOR         | Incandescent, Green                                             |
| FEATURES                         | -                                                               |
| ELECTRICAL LIFE                  | 100,000 Cycles                                                  |
| DETAILED DESCRIPTION             | Pushbutton Switch DPDT Standard, Illuminated Panel Mount, Front |
| CURRENT RATING                   | 5A (AC)                                                         |
| COLOR - ACTUATOR/CAP             | Green                                                           |
| CIRCUIT                          | DPDT                                                            |
| ACTUATOR TYPE                    | Rectangular, Button                                             |
