P2040NXE1MMB

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | P2040NXE1MMB                                                                                                 |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC MPU Q OR IQ 1.2GHZ 780FCBGA                                                                               |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 4538 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

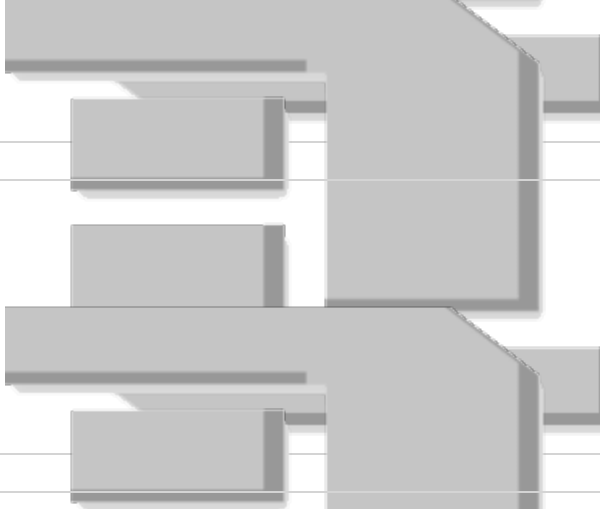

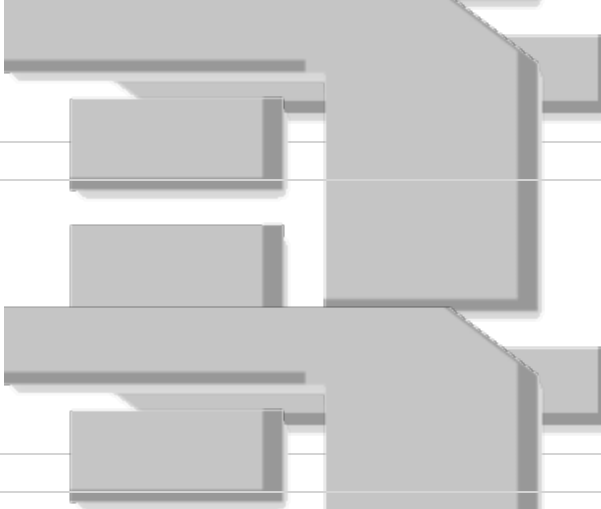

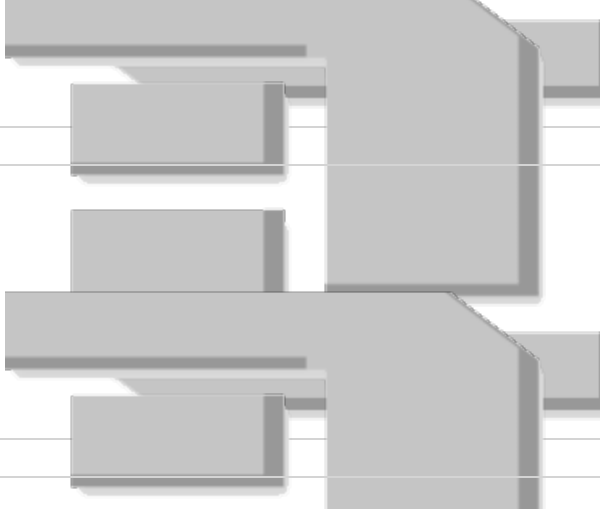

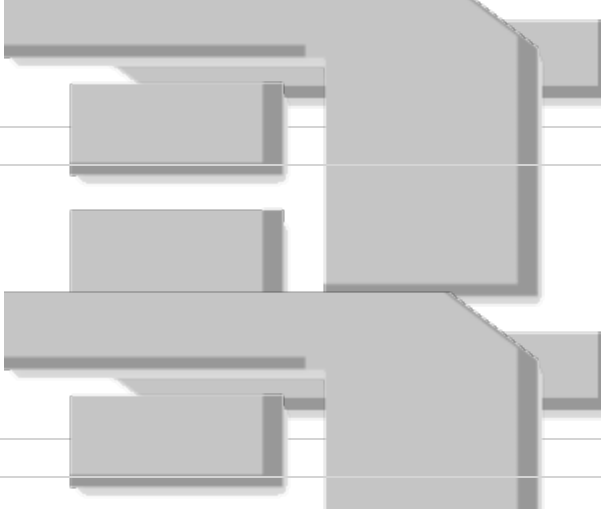

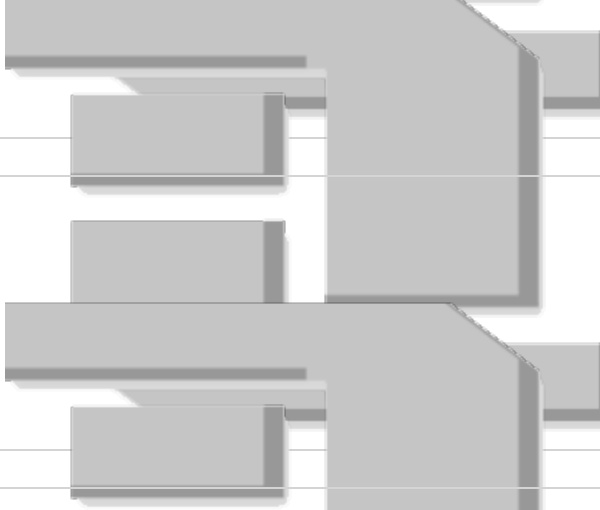

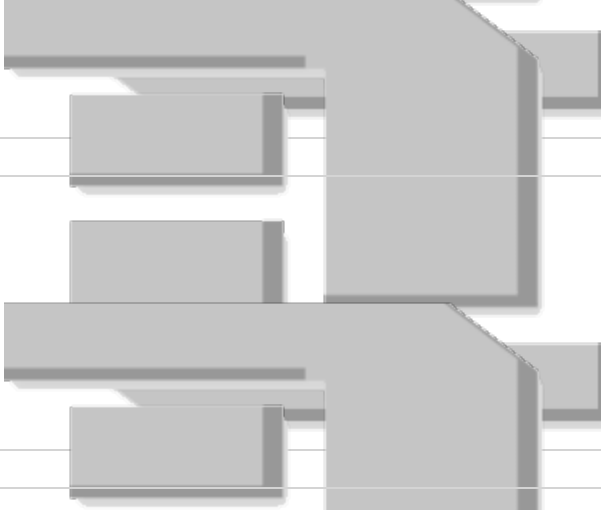

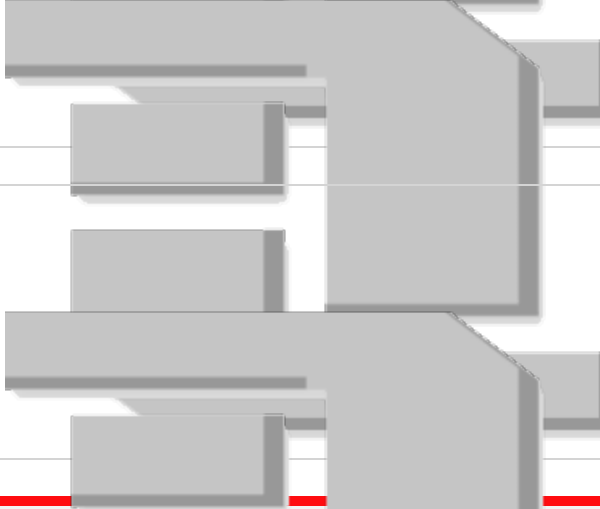

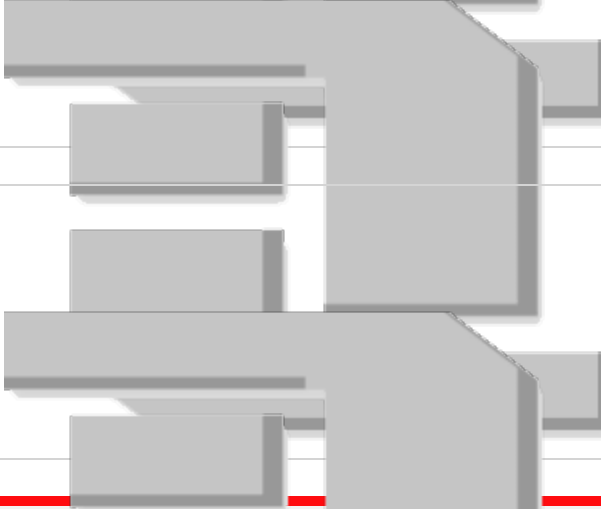

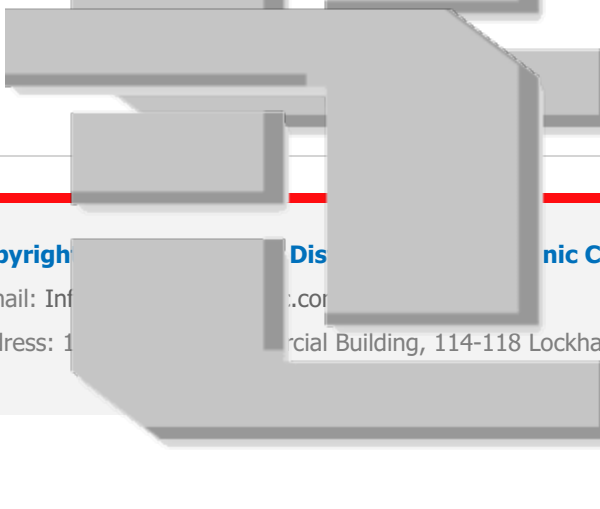

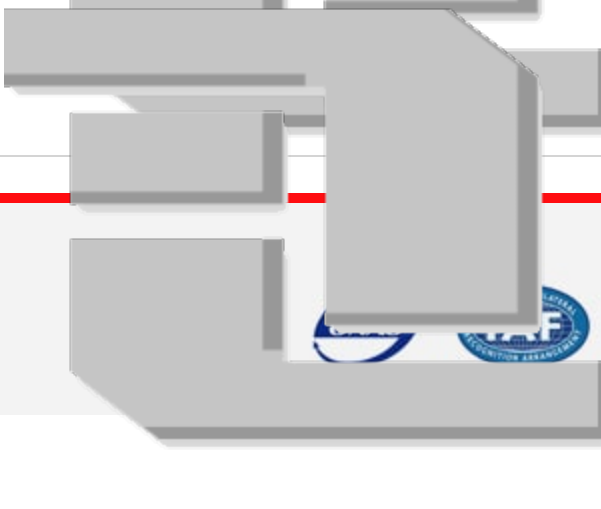

Specifications of P2040NXE1MMB

|                                  |                                                                                    |

| DESCRIPTION                      | IC MPU Q OR IQ 1.2GHZ 780FCBGA                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| QUANTITY AVAILABLE               | 4538 pcs                                                                           |
| DATA SHEET                       |                                                                                    |
| VOLTAGE - I/O                    | 1.0V, 1.35V, 1.5V, 1.8V, 2.5V, 3.3V                                                |
| USB                              | USB 2.0 + PHY (2)                                                                  |
| SUPPLIER DEVICE PACKAGE          | 780-FCPBGA (23x23)                                                                 |
| SPEED                            | 1.2GHz                                                                             |
| SERIES                           | QorIQ P2                                                                           |
| SECURITY FEATURES                | Boot Security, Cryptography, Random Number Generator, Secure Fusebox               |
| SATA                             | SATA 3Gbps (2)                                                                     |
| RAM CONTROLLERS                  | DDR3, DDR3L                                                                        |
| PACKAGING                        | Tray                                                                               |
| PACKAGE / CASE                   | -                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                                 |
| NUMBER OF CORES/BUS WIDTH        | 4 Core, 32-Bit                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| GRAPHICS ACCELERATION            | No                                                                                 |
| ETHERNET                         | 10/100/1000 Mbps (5)                                                               |
| DISPLAY & INTERFACE CONTROLLERS  | -                                                                                  |
| DETAILED DESCRIPTION             | PowerPC e500mc Microprocessor IC QorIQ P2 4 Core, 32-Bit 1.2GHz 780-FCPBGA (23x23) |
| CORE PROCESSOR                   | PowerPC e500mc                                                                     |
| CO-PROCESSORS/DSP                | Security; SEC 4.2                                                                  |
| BASE PART NUMBER                 | P2040                                                                              |
| ADDITIONAL INTERFACES            | DUART, I²C, MMC/SD, RapidIO, SPI                                                   |
