NB2309AC1DTR2G  
AMI Semiconductor / ON Semiconductor  
IC BUFFER CLK 9OUT 3.3V 16-TSSOP  
 NB2309AC1DTR2G.pdf  
 Lead free / RoHS Compliant  
6239 pcs stock  
Hong Kong  
DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of NB2309AC1DTR2G

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NB2309AC1DTR2G                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                   |
| DESCRIPTION                      | IC BUFFER CLK 9OUT 3.3V 16-TSSOP                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| QUANTITY AVAILABLE               | 6239 pcs                                                                                               |
| DATA SHEET                       |  NB2309AC1DTR2G.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                                            |
| TYPE                             | Zero Delay Buffer                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 16-TSSOP                                                                                               |
| SERIES                           | -                                                                                                      |
| RATIO - INPUT:OUTPUT             | 1:9                                                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 16-TSSOP (0.173", 4.40mm Width)                                                                        |
| PLL                              | Yes with Bypass                                                                                        |
| OUTPUT                           | Clock                                                                                                  |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                             |
| NUMBER OF CIRCUITS               | 1                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| INPUT                            | Clock                                                                                                  |
| FREQUENCY - MAX                  | 133.33MHz                                                                                              |
| DIVIDER/MULTIPLIER               | No/No                                                                                                  |
| DIFFERENTIAL - INPUT:OUTPUT      | No/No                                                                                                  |
