| MANUFACTURER                     | N/A                                                                      |
| DESCRIPTION                      | IC REG LINEAR 3.3V 1A 8WSON                                              |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                       |
| QUANTITY AVAILABLE               | 5765 pcs                                                                 |
| DATA SHEET                       |                                                                          |
| VOLTAGE DROPOUT (MAX)            | 0.2V @ 100mA                                                             |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.3V                                                                     |
| VOLTAGE - OUTPUT (MAX)           | -                                                                        |
| VOLTAGE - INPUT (MAX)            | 7.5V                                                                     |
| SUPPLIER DEVICE PACKAGE          | 8-WSON (4x4)                                                             |
| SERIES                           | -                                                                        |
| PROTECTION FEATURES              | Over Temperature, Short Circuit                                          |
| PACKAGING                        | Tape & Reel (TR)                                                         |
| PACKAGE / CASE                   | 8-WDFN Exposed Pad                                                       |
| PSRR                             | -                                                                        |
| OUTPUT TYPE                      | Fixed                                                                    |
| OUTPUT CONFIGURATION             | Positive                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                            |
| NUMBER OF REGULATORS             | 1                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                       |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 3.3V 1A 8-WSON (4x4) |
| CURRENT - OUTPUT                 | 1A                                                                       |
| CONTROL FEATURES                 | -                                                                        |
| BASE PART NUMBER                 | LM3940                                                                   |
