Specifications of AT24CS04-XHM-B

|                                  |                                                                                                                        |
|----------------------------------|------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | AT24CS04-XHM-B                                                                                                         |
| MANUFACTURER                     | Micrel / Microchip Technology                                                                                          |
| DESCRIPTION                      | IC EEPROM 4K I2C 1MHZ 8TSSOP                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| QUANTITY AVAILABLE               | 470335 pcs                                                                                                             |
| DATA SHEET                       |  <a href="#">AT24CS04-XHM-B.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE    | 5ms                                                                                                                    |
| VOLTAGE - SUPPLY                 | 1.7 V ~ 5.5 V                                                                                                          |
| TECHNOLOGY                       | EEPROM                                                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 8-TSSOP                                                                                                                |
| SERIES                           | -                                                                                                                      |
| PACKAGING                        | Tube                                                                                                                   |
| PACKAGE / CASE                   | 8-TSSOP (0.173", 4.40mm Width)                                                                                         |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                          |
| MEMORY TYPE                      | Non-Volatile                                                                                                           |
| MEMORY SIZE                      | 4Kb (512 x 8)                                                                                                          |
| MEMORY INTERFACE                 | I²C                                                                                                                    |
| MEMORY FORMAT                    | EEPROM                                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| DETAILED DESCRIPTION             | EEPROM Memory IC 4Kb (512 x 8) I²C 1MHz 550ns 8-TSSOP                                                                  |
| CLOCK FREQUENCY                  | 1MHz                                                                                                                   |
| BASE PART NUMBER                 | AT24CS04                                                                                                               |
| ACCESS TIME                      | 550ns                                                                                                                  |
