| VOLTAGE - SUPPLY, DIGITAL        | 2.7 V ~ 3.6 V                                                            |
| VOLTAGE - SUPPLY, ANALOG         | 2.7 V ~ 3.6 V                                                            |
| SUPPLIER DEVICE PACKAGE          | 48-TQFP-EP (7x7)                                                         |
| SERIES                           | -                                                                        |
| SAMPLING RATE (PER SECOND)       | 40M                                                                      |
| REFERENCE TYPE                   | External, Internal                                                       |
| RATIO - S/H:ADC                  | 1:1                                                                      |
| PACKAGING                        | Tray                                                                     |
| PACKAGE / CASE                   | 48-TQFP Exposed Pad                                                      |
| OTHER NAMES                      | MAX1183ECMD                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                             |
| NUMBER OF INPUTS                 | 2                                                                        |
| NUMBER OF BITS                   | 10                                                                       |
| NUMBER OF A/D CONVERTERS         | 2                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| INPUT TYPE                       | Differential, Single Ended                                               |
| FEATURES                         | Simultaneous Sampling                                                    |
| DETAILED DESCRIPTION             | 10 Bit Analog to Digital Converter 2 Input 2 Pipelined 48-TQFP-EP (7x7)  |
| DATA INTERFACE                   | Parallel                                                                 |
| CONFIGURATION                    | S/H-ADC                                                                  |
| BASE PART NUMBER                 | MAX1183                                                                  |
| ARCHITECTURE                     | Pipelined                                                                |
