| DATA SHEET                       |  SL28773ELC.pdf |
| VOLTAGE - SUPPLY                 | 3.135 V ~ 3.465 V                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 32-QFN (5x5)                                                                                       |
| SERIES                           | EProClock®                                                                                         |
| RATIO - INPUT:OUTPUT             | 1:9                                                                                                |
| PACKAGING                        | Bulk                                                                                               |
| PACKAGE / CASE                   | 32-WFQFN Exposed Pad                                                                               |
| PLL                              | Yes                                                                                                |
| OUTPUT                           | HCSSL, LVCMOS                                                                                      |
| OPERATING TEMPERATURE            | 0°C ~ 85°C                                                                                         |
| NUMBER OF CIRCUITS               | 1                                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                      |
| MAIN PURPOSE                     | Intel CPU Servers                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| INPUT                            | Crystal                                                                                            |
| FREQUENCY - MAX                  | 133MHz                                                                                             |
| DIFFERENTIAL - INPUT:OUTPUT      | No/Yes                                                                                             |
