

Part Number: LTC1729CMS8-8.2#PBF

Manufacturer/Brand: ADI (Analog Devices, Inc.)

Product description: IC CTRLR BATT CHRGR LI-ION 8MSOP

Datasheets:  LTC1729CMS8-8.2#PBF.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 34032 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of LTC1729CMS8-8.2#PBF

|                                  |                                                                                                             |

| DATA SHEET                       |  LTC1729CMS8-8.2#PBF.pdf |
| VOLTAGE - SUPPLY (MAX)           | 28V                                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 8-MSOP                                                                                                      |
| SERIES                           | -                                                                                                           |
| PROGRAMMABLE FEATURES            | -                                                                                                           |
| PACKAGING                        | Tube                                                                                                        |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                                      |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                             |
| NUMBER OF CELLS                  | 2                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                  |
| INTERFACE                        | -                                                                                                           |
| FAULT PROTECTION                 | -                                                                                                           |
| DETAILED DESCRIPTION             | Charger IC Lithium Ion 8-MSOP                                                                               |
| CURRENT - CHARGING               | -                                                                                                           |
| CHARGE CURRENT - MAX             | -                                                                                                           |
| BATTERY PACK VOLTAGE             | 8.2V                                                                                                        |
| BATTERY CHEMISTRY                | Lithium Ion                                                                                                 |
