| DESCRIPTION                      | IC MCU 32BIT 128KB FLASH 64LQFP                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                 |
| QUANTITY AVAILABLE               | 4789 pcs                                                                                   |
| DATA SHEET                       |                                                                                            |
| VOLTAGE - SUPPLY (VCC/VDD)       | 2.7 V ~ 5.5 V                                                                              |
| SUPPLIER DEVICE PACKAGE          | 64-LQFP (10x10)                                                                            |
| SPEED                            | 50MHz                                                                                      |
| SERIES                           | MCF51AC                                                                                    |
| RAM SIZE                         | 16K x 8                                                                                    |
| PROGRAM MEMORY TYPE              | FLASH                                                                                      |
| PROGRAM MEMORY SIZE              | 128KB (128K x 8)                                                                           |
| PERIPHERALS                      | LVD, PWM, WDT                                                                              |
| PACKAGING                        | Tray                                                                                       |
| PACKAGE / CASE                   | 64-LQFP                                                                                    |
| OSCILLATOR TYPE                  | External                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                          |
| NUMBER OF I/O                    | 54                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                 |
| EEPROM SIZE                      | -                                                                                          |
| DETAILED DESCRIPTION             | Coldfire V1 MCF51AC Microcontroller IC 32-Bit 50MHz 128KB (128K x 8) FLASH 64-LQFP (10x10) |
| DATA CONVERTERS                  | A/D 20x12b                                                                                 |
| CORE SIZE                        | 32-Bit                                                                                     |
| CORE PROCESSOR                   | Coldfire V1                                                                                |
| CONNECTIVITY                     | I²C, SCI, SPI                                                                              |
| BASE PART NUMBER                 | PCF51AC128                                                                                 |
