| QUANTITY AVAILABLE               | 22494 pcs                                                                                                     |
| DATA SHEET                       |  LTC2634IMSE-LMI10#PBF.pdf |
| VOLTAGE - SUPPLY, DIGITAL        | 2.7 V ~ 5.5 V                                                                                                 |
| VOLTAGE - SUPPLY, ANALOG         | 2.7 V ~ 5.5 V                                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 10-MSOP-EP                                                                                                    |
| SETTLING TIME                    | 3.8μs (Typ)                                                                                                   |
| SERIES                           | -                                                                                                             |
| REFERENCE TYPE                   | External, Internal                                                                                            |
| PACKAGING                        | Tube                                                                                                          |
| PACKAGE / CASE                   | 10-TFSOP, 10-MSOP (0.118", 3.00mm Width) Exposed Pad                                                          |
| OUTPUT TYPE                      | Voltage - Buffered                                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                  |
| NUMBER OF D/A CONVERTERS         | 4                                                                                                             |
| NUMBER OF BITS                   | 10                                                                                                            |
| MOUNTING TYPE                    | Surface Mount                                                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                    |
| INL/DNL (LSB)                    | ±0.2, ±0.5 (Max)                                                                                              |
| DIFFERENTIAL OUTPUT              | No                                                                                                            |
| DETAILED DESCRIPTION             | 10 Bit Digital to Analog Converter 4 10-MSOP-EP                                                               |
| DATA INTERFACE                   | SPI                                                                                                           |
