PNX1302EH,557

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | PNX1302EH,557                                                                                                |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC MEDIA PROC 200MHZ 292-HBGA                                                                                |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 5863 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

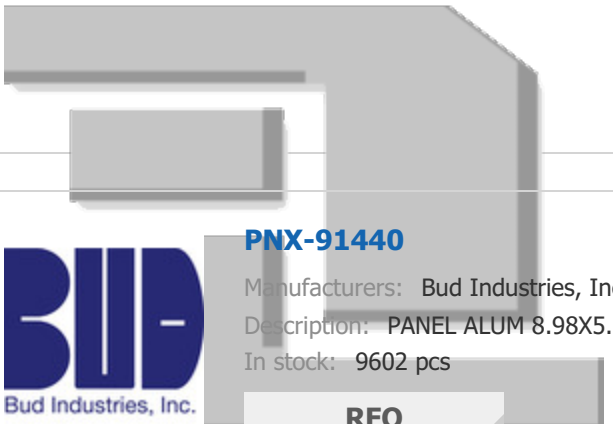

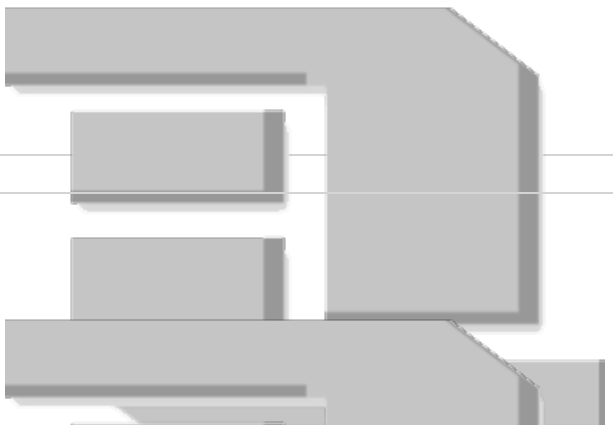

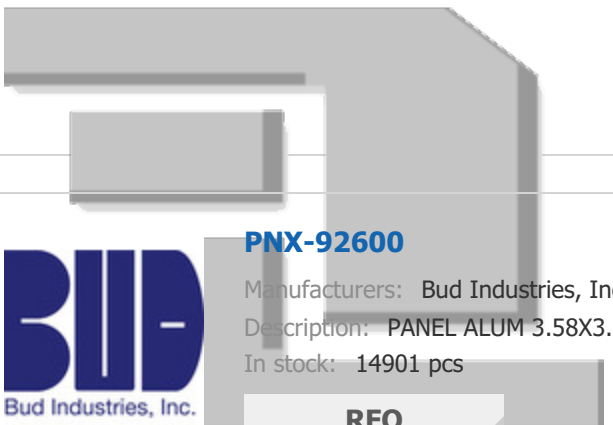

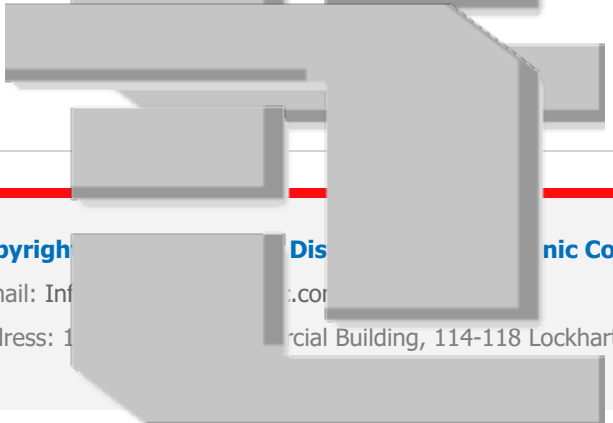

Specifications of PNX1302EH,557

|                                  |                                           |
|----------------------------------|-------------------------------------------|
| PART NUMBER                      | PNX1302EH,557                             |
| MANUFACTURER                     | NXP Semiconductors / Freescale            |
| DESCRIPTION                      | IC MEDIA PROC 200MHZ 292-HBGA             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                |
| QUANTITY AVAILABLE               | 5863 pcs                                  |
| DATA SHEET                       |                                           |
| VOLTAGE - SUPPLY                 | 2.375 V ~ 2.625 V                         |
| SUPPLIER DEVICE PACKAGE          | 292-BGA                                   |
| SERIES                           | -                                         |
| RAM SIZE                         | 48K x 8                                   |
| PROGRAM MEMORY TYPE              | -                                         |
| PACKAGING                        | Tray                                      |
| PACKAGE / CASE                   | 292-HBGA                                  |
| OTHER NAMES                      | 935270982557<br>PNX1302EH<br>PNX1302EH-ND |
| OPERATING TEMPERATURE            | 0°C ~ 85°C                                |
| NUMBER OF I/O                    | 169                                       |
| MOUNTING TYPE                    | Surface Mount                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                |
| INTERFACE                        | I²C, 2-Wire Serial                        |
| CORE PROCESSOR                   | TriMedia™                                 |
| CONTROLLER SERIES                | Nexperia                                  |
| BASE PART NUMBER                 | PNX13*                                    |
| APPLICATIONS                     | Multimedia                                |
