MTFC8GLWDQ-3L AAT Z TR

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MTFC8GLWDQ-3L AAT Z TR                                                                                       |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC FLASH 64G MMC 153BGA                                                                                      |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 6331 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

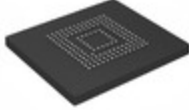

Specifications of MTFC8GLWDQ-3L AAT Z TR

|                                  |                                                                          |
|----------------------------------|--------------------------------------------------------------------------|
| PART NUMBER                      | MTFC8GLWDQ-3L AAT Z TR                                                   |
| MANUFACTURER                     | Micron Technology                                                        |
| DESCRIPTION                      | IC FLASH 64G MMC 153BGA                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| QUANTITY AVAILABLE               | 6331 pcs                                                                 |
| DATA SHEET                       |                                                                          |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                                        |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                            |
| TECHNOLOGY                       | FLASH - NAND                                                             |
| SERIES                           | e•MMC™                                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                         |
| OTHER NAMES                      | MTFC8GLWDQ-3L AAT ZTR<br>MTFC8GLWDQ-3L AAT ZTR-ND<br>MTFC8GLWDQ-3LAATZTR |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                            |
| MEMORY TYPE                      | Non-Volatile                                                             |
| MEMORY SIZE                      | 64Gb (8G x 8)                                                            |
| MEMORY INTERFACE                 | MMC                                                                      |
| MEMORY FORMAT                    | FLASH                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| DETAILED DESCRIPTION             | FLASH - NAND Memory IC 64Gb (8G x 8) MMC                                 |
