E2AX-M18LS08-M1-B1

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | E2AX-M18LS08-M1-B1                                                                                           |
| Manufacturer/Brand: | Omron Automation & Safety                                                                                    |
| Product description | INDUCTIVE SENSOR M18 8MM PNP NO                                                                              |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 582 pcs stock                                                                                                |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

| DESCRIPTION                      | INDUCTIVE SENSOR M18 8MM PNP NO                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| QUANTITY AVAILABLE               | 582 pcs                                                               |
| DATA SHEET                       |                                                                       |
| VOLTAGE - SUPPLY                 | 10 V ~ 32 V                                                           |
| TERMINATION STYLE                | Connector                                                             |
| SHIELDING                        | Shielded                                                              |
| SERIES                           | E2A                                                                   |
| SENSOR TYPE                      | Inductive                                                             |
| SENSING DISTANCE                 | 0.315" (8mm)                                                          |
| RESPONSE FREQUENCY               | 500Hz                                                                 |
| PACKAGE / CASE                   | Cylinder, Threaded - M18                                              |
| OUTPUT TYPE                      | PNP-NO, 3-Wire                                                        |
| OTHER NAMES                      | E2AX/M18LS08/M1/B1<br>E2AXM18LS08M1B1                                 |
| OPERATING TEMPERATURE            | -40°C ~ 70°C                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                         |
| MATERIAL - BODY                  | Nickel-Plated Brass                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| INGRESS PROTECTION               | IP65                                                                  |
| INDICATOR                        | LED                                                                   |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.315" (8mm) IP65 Cylinder, Threaded - M18 |
