Specifications of NB3V1103CDTR2G

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NB3V1103CDTR2G                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                   |
| DESCRIPTION                      | IC CLK FANOUT/BUFFER 1:3 8TSSOP                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| QUANTITY AVAILABLE               | 36706 pcs                                                                                              |
| DATA SHEET                       |  NB3V1103CDTR2G.pdf |
| VOLTAGE - SUPPLY                 | 1.71 V ~ 3.6 V                                                                                         |
| TYPE                             | Fanout Buffer (Distribution)                                                                           |
| SUPPLIER DEVICE PACKAGE          | 8-TSSOP                                                                                                |
| SERIES                           | -                                                                                                      |
| RATIO - INPUT:OUTPUT             | 1:3                                                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 8-TSSOP (0.173", 4.40mm Width)                                                                         |
| OUTPUT                           | LVCMOS                                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                                                          |
| NUMBER OF CIRCUITS               | 1                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| INPUT                            | LVCMOS                                                                                                 |
| FREQUENCY - MAX                  | 250MHz                                                                                                 |
| DIFFERENTIAL - INPUT:OUTPUT      | No/No                                                                                                  |
| DETAILED DESCRIPTION             | Clock Fanout Buffer (Distribution) IC 1:3 250MHz 8-TSSOP (0.173", 4.40mm Width)                        |
