| VOLTAGE - SUPPLY                 | 33 V ~ 80 V                                                                                          |
| TYPE                             | Hot Swap Controller                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                               |
| SERIES                           | -                                                                                                    |
| PROGRAMMABLE FEATURES            | Current Limit, Fault Timeout, OVP, UVLO                                                              |
| PACKAGING                        | Tube                                                                                                 |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                        |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                         |
| NUMBER OF CHANNELS               | 1                                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| INTERNAL SWITCH(S)               | No                                                                                                   |
| FEATURES                         | Auto Retry, Thermal Limit                                                                            |
| FEATURE PINS                     | FB, ON, (PWRGD, /PWRGD), TIMER                                                                       |
| DETAILED DESCRIPTION             | Hot Swap Controller 1 Channel General Purpose 8-SOIC                                                 |
| CURRENT - SUPPLY                 | 1.4mA                                                                                                |
| CURRENT - OUTPUT (MAX)           | -                                                                                                    |
| APPLICATIONS                     | General Purpose                                                                                      |
