| QUANTITY AVAILABLE               | 126616 pcs                                                                                             |
| DATA SHEET                       |  R5F103A9ASP#V0.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 1.8 V ~ 5.5 V                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 30-LSSOP                                                                                               |
| SPEED                            | 24MHz                                                                                                  |
| SERIES                           | RL78/G12                                                                                               |
| RAM SIZE                         | 1K x 8                                                                                                 |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                  |
| PROGRAM MEMORY SIZE              | 12KB (12K x 8)                                                                                         |
| PERIPHERALS                      | DMA, POR, PWM, WDT                                                                                     |
| PACKAGING                        | Tray                                                                                                   |
| PACKAGE / CASE                   | 30-LSSOP (0.240", 6.10mm Width)                                                                        |
| OSCILLATOR TYPE                  | Internal                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                      |
| NUMBER OF I/O                    | 26                                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| EEPROM SIZE                      | -                                                                                                      |
| DETAILED DESCRIPTION             | RL78 RL78/G12 Microcontroller IC 16-Bit 24MHz 12KB (12K x 8) FLASH 30-LSSOP                            |
| DATA CONVERTERS                  | A/D 8x8/10b                                                                                            |
| CORE SIZE                        | 16-Bit                                                                                                 |
| CORE PROCESSOR                   | RL78                                                                                                   |
| CONNECTIVITY                     | CSI, I²C, UART/USART                                                                                   |
| BASE PART NUMBER                 | R5F103A                                                                                                |
