| MANUFACTURER                     | NXP Semiconductors / Freescale                                                                    |
| DESCRIPTION                      | IC MCU 32BIT 64KB FLASH 64LQFP                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| QUANTITY AVAILABLE               | 13046 pcs                                                                                         |
| DATA SHEET                       |                                                                                                   |
| VOLTAGE - SUPPLY (VCC/VDD)       | 1.71 V ~ 3.6 V                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 64-LQFP (10x10)                                                                                   |
| SPEED                            | 48MHz                                                                                             |
| SERIES                           | Kinetis KL2                                                                                       |
| RAM SIZE                         | 8K x 8                                                                                            |
| PROGRAM MEMORY TYPE              | FLASH                                                                                             |
| PROGRAM MEMORY SIZE              | 64KB (64K x 8)                                                                                    |
| PERIPHERALS                      | Brown-out Detect/Reset, DMA, LVD, POR, PWM, WDT                                                   |
| PACKAGING                        | Tray                                                                                              |
| PACKAGE / CASE                   | 64-LQFP                                                                                           |
| OTHER NAMES                      | 935320016557                                                                                      |
| OSCILLATOR TYPE                  | Internal                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                                                |
| NUMBER OF I/O                    | 50                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| EEPROM SIZE                      | -                                                                                                 |
| DETAILED DESCRIPTION             | ARM® Cortex®-M0+ Kinetis KL2 Microcontroller IC 32-Bit 48MHz 64KB (64K x 8) FLASH 64-LQFP (10x10) |
| DATA CONVERTERS                  | A/D 14x16b, D/A 1x12b                                                                             |
| CORE SIZE                        | 32-Bit                                                                                            |
| CORE PROCESSOR                   | ARM® Cortex®-M0+                                                                                  |
| CONNECTIVITY                     | I²C, LINbus, SPI, UART/USART, USB, USB OTG                                                        |
