| DESCRIPTION                            | IC SWITCH SPST 8LFCSP                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS         | Lead free / RoHS Compliant                                                                                               |
| QUANTITY AVAILABLE                     | 5157 pcs                                                                                                                 |
| DATA SHEET                             |  <a href="#">ADG723ACPZ-REEL7.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE (V+)          | 1.8 V ~ 5.5 V                                                                                                            |
| VOLTAGE - SUPPLY, DUAL (V±)            | -                                                                                                                        |
| SWITCH TIME (TON, TOFF) (MAX)          | 14ns, 6ns (Typ)                                                                                                          |
| SWITCH CIRCUIT                         | SPST - NO/NC                                                                                                             |
| SUPPLIER DEVICE PACKAGE                | 8-LFCSP-WD (2x3)                                                                                                         |
| SERIES                                 | -                                                                                                                        |
| PACKAGING                              | Tape & Reel (TR)                                                                                                         |
| PACKAGE / CASE                         | 8-WDFDN Exposed Pad, CSP                                                                                                 |
| OTHER NAMES                            | ADG723ACPZ-REEL7TR                                                                                                       |
| OPERATING TEMPERATURE                  | -40°C ~ 85°C (TA)                                                                                                        |
| ON-STATE RESISTANCE (MAX)              | 4 Ohm                                                                                                                    |
| NUMBER OF CIRCUITS                     | 2                                                                                                                        |
| MULTIPLEXER/DEMULTIPLEXER CIRCUIT      | 1:1                                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL)       | 1 (Unlimited)                                                                                                            |
| LEAD FREE STATUS / ROHS STATUS         | Lead free / RoHS Compliant                                                                                               |
| DETAILED DESCRIPTION                   | 2 Circuit IC Switch 1:1 4 Ohm 8-LFCSP-WD (2x3)                                                                           |
| CURRENT - LEAKAGE (IS(OFF)) (MAX)      | 10pA (Typ)                                                                                                               |
| CROSSTALK                              | -97dB @ 1MHz                                                                                                             |
| CHARGE INJECTION                       | 2pC                                                                                                                      |
| CHANNEL-TO-CHANNEL MATCHING (ΔRON)     | 300 mOhm                                                                                                                 |
| CHANNEL CAPACITANCE (CS(OFF), CD(OFF)) | 7pF, 7pF                                                                                                                 |
| BASE PART NUMBER                       | ADG723                                                                                                                   |
| -3DB BANDWIDTH                         | 200MHz                                                                                                                   |
