| QUANTITY AVAILABLE                | 4875 pcs                                                                                                        |
| DATA SHEET                        |  <a href="#">DG884DN.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE (V+)     | 13 V ~ 20 V                                                                                                     |
| VOLTAGE - SUPPLY, DUAL (V±)       | -                                                                                                               |
| SWITCH CIRCUIT                    | -                                                                                                               |
| SUPPLIER DEVICE PACKAGE           | 44-PLCC (16.59x16.59)                                                                                           |
| SERIES                            | -                                                                                                               |
| PACKAGING                         | Tube                                                                                                            |
| PACKAGE / CASE                    | 44-LCC (J-Lead)                                                                                                 |
| OPERATING TEMPERATURE             | -40°C ~ 85°C (TA)                                                                                               |
| ON-STATE RESISTANCE (MAX)         | 90 Ohm                                                                                                          |
| NUMBER OF CHANNELS                | 1                                                                                                               |
| MULTIPLEXER/DEMULTIPLEXER CIRCUIT | 8:4                                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                                              |
| FEATURES                          | T-Switch Configuration                                                                                          |
| DETAILED DESCRIPTION              | Video Switch IC 1 Channel 44-PLCC (16.59x16.59)                                                                 |
| APPLICATIONS                      | Video                                                                                                           |
| -3DB BANDWIDTH                    | 300MHz                                                                                                          |
