Specifications of XH9-019PKC-EA

|                                  |                                                                |
|----------------------------------|----------------------------------------------------------------|
| PART NUMBER                      | XH9-019PKC-EA                                                  |
| MANUFACTURER                     | Digi International                                             |
| DESCRIPTION                      | 9XSTREAM 100MW ETH 19200BPS COM                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                     |
| QUANTITY AVAILABLE               | 3050 pcs                                                       |
| DATA SHEET                       |                                                                |
| VOLTAGE - SUPPLY                 | 7 V ~ 28 V                                                     |
| SERIES                           | XStream™                                                       |
| SENSITIVITY                      | -107dBm                                                        |
| POWER - OUTPUT                   | 20dBm (100mW)                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                  |
| MODULATION OR PROTOCOL           | FHSS, FSK                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                     |
| INTERFACE                        | RJ-45 Ethernet                                                 |
| FUNCTION                         | Transceiver, Modem                                             |
| FREQUENCY                        | 923MHz                                                         |
| FEATURES                         | Kit                                                            |
| DETAILED DESCRIPTION             | RF Transceiver, Modem 923MHz FHSS, FSK RJ-45 Ethernet 19.2kbps |
| DATA RATE (MAX)                  | 19.2kbps                                                       |
| APPLICATIONS                     | ISM                                                            |
