| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 1.8 V ~ 5.5 V                                                                           |
| VOLTAGE - INPUT OFFSET            | 200µV                                                                                   |
| SUPPLIER DEVICE PACKAGE           | 8-uMAX                                                                                  |
| SLEW RATE                         | 0.1 V/µs                                                                                |
| SERIES                            | -                                                                                       |
| PACKAGING                         | Tape & Reel (TR)                                                                        |
| PACKAGE / CASE                    | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                  |
| OUTPUT TYPE                       | Rail-to-Rail                                                                            |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                            |
| NUMBER OF CIRCUITS                | 2                                                                                       |
| MOUNTING TYPE                     | Surface Mount                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                              |
| GAIN BANDWIDTH PRODUCT            | 200kHz                                                                                  |
| DETAILED DESCRIPTION              | General Purpose Amplifier 2 Circuit Rail-to-Rail 8-uMAX                                 |
| CURRENT - SUPPLY                  | 7µA                                                                                     |
| CURRENT - OUTPUT / CHANNEL        | 15mA                                                                                    |
| CURRENT - INPUT BIAS              | 1pA                                                                                     |
| BASE PART NUMBER                  | MAX9912                                                                                 |
| AMPLIFIER TYPE                    | General Purpose                                                                         |
