| VOLTAGE - SUPPLY                 | 7 V ~ 32 V                                                      |
| SERIES                           | MultiConnect® Cell                                              |
| SENSITIVITY                      | -                                                               |
| POWER - OUTPUT                   | -                                                               |
| OTHER NAMES                      | 881-1226<br>92506916LF                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                   |
| MODULATION OR PROTOCOL           | EV-DO, CDMA                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| INTERFACE                        | RS-232                                                          |
| FUNCTION                         | Transceiver, Modem                                              |
| FREQUENCY                        | 800MHz, 1.9GHz                                                  |
| FEATURES                         | -                                                               |
| DETAILED DESCRIPTION             | RF Transceiver, Modem 800MHz, 1.9GHz EV-DO, CDMA RS-232 3.1Mbps |
| DATA RATE (MAX)                  | 3.1Mbps                                                         |
| APPLICATIONS                     | General Purpose                                                 |
