Specifications of DS1386P-8-120

|                                  |                                                                          |
|----------------------------------|--------------------------------------------------------------------------|
| PART NUMBER                      | DS1386P-8-120                                                            |
| MANUFACTURER                     | Maxim Integrated                                                         |
| DESCRIPTION                      | IC RTC CLK/CALENDAR PAR 34-PCM                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                       |
| QUANTITY AVAILABLE               | 4160 pcs                                                                 |
| DATA SHEET                       | <div><div>PDF</div>DS1386P-8-120.pdf</div>                               |
| VOLTAGE - SUPPLY, BATTERY        | 3V                                                                       |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                            |
| TYPE                             | Clock/Calendar                                                           |
| TIME FORMAT                      | HH:MM:SS:hh (12/24 hr)                                                   |
| SUPPLIER DEVICE PACKAGE          | 34-PowerCap Module                                                       |
| SERIES                           | -                                                                        |
| PACKAGING                        | Tube                                                                     |
| PACKAGE / CASE                   | 34-PowerCap™ Module                                                      |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                               |
| MOUNTING TYPE                    | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                            |
| MEMORY SIZE                      | 8KB                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                       |
| INTERFACE                        | Parallel                                                                 |
| FEATURES                         | Alarm, Leap Year, NVSRAM, Square Wave Output, Watchdog Timer             |
| DETAILED DESCRIPTION             | Real Time Clock (RTC) IC Clock/Calendar 8KB Parallel 34-PowerCap™ Module |
| DATE FORMAT                      | YY-MM-DD-dd                                                              |
| CURRENT - TIMEKEEPING (MAX)      | 4mA @ 5V                                                                 |
| BASE PART NUMBER                 | DS1386                                                                   |
