

SSI Technologies, Inc.

Part Number: P51-500-A-U-P-4.50VP-000-000

Manufacturer/Brand: SSI Technologies, Inc.

Product description: SENSOR 500PSI 7/16-20-2B .5-4.5V

Datasheets: [1.P51-500-A-U-P-4.50VP-000-000.pdf](#)  
[2.P51-500-A-U-P-4.50VP-000-000.pdf](#)

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 730 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of P51-500-A-U-P-4.50VP-000-000

| VOLTAGE - SUPPLY                 | 5V                                                                                                       |
| TERMINATION STYLE                | Packard, 3 Pin                                                                                           |
| SUPPLIER DEVICE PACKAGE          | -                                                                                                        |
| SERIES                           | MediaSensor™                                                                                             |
| PRESSURE TYPE                    | Absolute                                                                                                 |
| PORT STYLE                       | Threaded                                                                                                 |
| PORT SIZE                        | Female - 7/16" (11.11mm) UNF                                                                             |
| PACKAGE / CASE                   | Cylinder                                                                                                 |
| OUTPUT TYPE                      | Analog Voltage                                                                                           |
| OUTPUT                           | 0.5 V ~ 4.5 V                                                                                            |
| OTHER NAMES                      | P51-500-A-U-P-4.50V<br>P51-500-A-U-P-4.50V-ND                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                                                            |
| OPERATING PRESSURE               | 500 PSI (3447.38 kPa)                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                            |
| MAXIMUM PRESSURE                 | -                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| FEATURES                         | Amplified Output, Temperature Compensated                                                                |
| DETAILED DESCRIPTION             | Pressure Sensor 500 PSI (3447.38 kPa) Absolute Female - 7/16" (11.11mm) UNF 0.5 V ~ 4.5 V Cylinder       |
| ACCURACY                         | ±0.5%                                                                                                    |
