

ON Semiconductor®  

AMI Semiconductor / ON

Semiconductor

Part Number:MC100E141FNG

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC SHIFT REGISTER 8BIT 28-PLCC

Datasheets: MC100E141FNG.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:6048 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of MC100E141FNG

|                                  |                                                                                                      |
|----------------------------------|------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC100E141FNG                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                 |
| DESCRIPTION                      | IC SHIFT REGISTER 8BIT 28-PLCC                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| QUANTITY AVAILABLE               | 6048 pcs                                                                                             |
| DATA SHEET                       |  MC100E141FNG.pdf |
| VOLTAGE - SUPPLY                 | 4.2 V ~ 5.7 V                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 28-PLCC (11.51x11.51)                                                                                |
| SERIES                           | 100E                                                                                                 |
| PACKAGING                        | Tube                                                                                                 |
| PACKAGE / CASE                   | 28-LCC (J-Lead)                                                                                      |
| OUTPUT TYPE                      | Push-Pull                                                                                            |
| OPERATING TEMPERATURE            | 0°C ~ 85°C                                                                                           |
| NUMBER OF ELEMENTS               | 1                                                                                                    |
| NUMBER OF BITS PER ELEMENT       | 8                                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                        |
| LOGIC TYPE                       | Shift Register                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| FUNCTION                         | Universal                                                                                            |
| BASE PART NUMBER                 | 100E141                                                                                              |
