LMR1802G-LBTR

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | LMR1802G-LBTR                                                                                                |
| Manufacturer/Brand: | LAPIS Semiconductor                                                                                          |
| Product description | LOW NOISE, LOW INPUT OFFSET VOLT                                                                             |
| Datasheets:         |  LMR1802G-LBTR.pdf          |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 37947 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

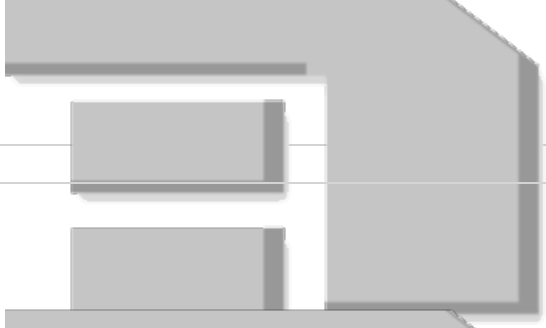

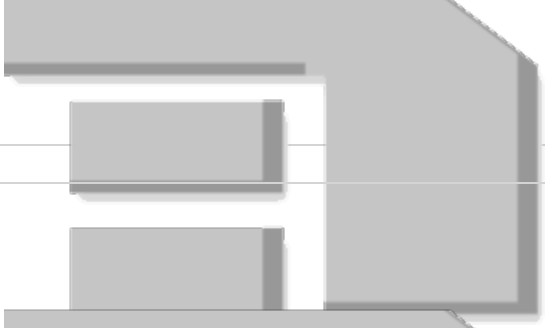

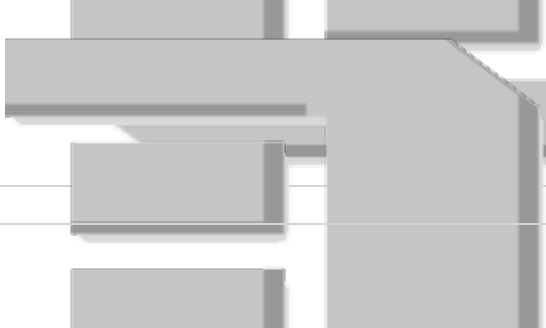

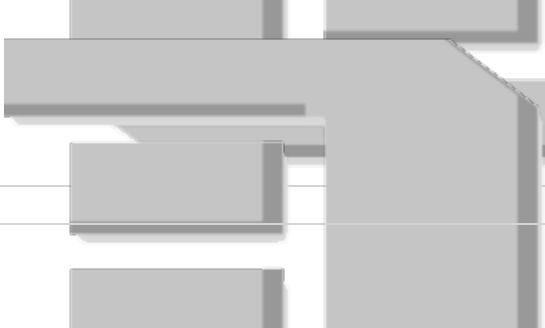

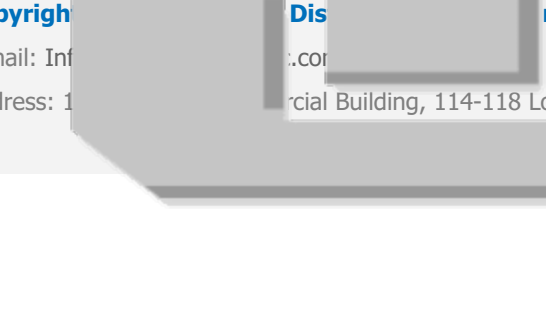

Specifications of LMR1802G-LBTR

|                                   |                                                                                                       |
|-----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                       | LMR1802G-LBTR                                                                                         |
| MANUFACTURER                      | LAPIS Semiconductor                                                                                   |
| DESCRIPTION                       | LOW NOISE, LOW INPUT OFFSET VOLT                                                                      |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| QUANTITY AVAILABLE                | 37947 pcs                                                                                             |
| DATA SHEET                        |  LMR1802G-LBTR.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.5 V ~ 5.5 V, ±1.25 V ~ 2.75 V                                                                       |
| VOLTAGE - INPUT OFFSET            | 5µV                                                                                                   |
| SUPPLIER DEVICE PACKAGE           | 5-SSOP                                                                                                |
| SLEW RATE                         | 1.1 V/µs                                                                                              |
| SERIES                            | -                                                                                                     |
| PACKAGING                         | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                    | SC-74A, SOT-753                                                                                       |
| OUTPUT TYPE                       | -                                                                                                     |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                         |
| NUMBER OF CIRCUITS                | 1                                                                                                     |
| MOUNTING TYPE                     | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| GAIN BANDWIDTH PRODUCT            | 3MHz                                                                                                  |
| DETAILED DESCRIPTION              | CMOS Amplifier 1 Circuit 5-SSOP                                                                       |
| CURRENT - SUPPLY                  | 1.1mA                                                                                                 |
| CURRENT - OUTPUT / CHANNEL        | 50mA                                                                                                  |
| CURRENT - INPUT BIAS              | 0.5pA                                                                                                 |
| AMPLIFIER TYPE                    | CMOS                                                                                                  |
