

ON Semiconductor®  

AMI Semiconductor / ON

Semiconductor

Part Number: NCV86603D33R2G

Manufacturer/Brand: AMI Semiconductor / ON Semiconductor

Product description: IC REG LINEAR 3.3V 150MA 8SOIC

Datasheets:  NCV86603D33R2G.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 5883 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of NCV86603D33R2G

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NCV86603D33R2G                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                   |
| DESCRIPTION                      | IC REG LINEAR 3.3V 150MA 8SOIC                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| QUANTITY AVAILABLE               | 5883 pcs                                                                                               |
| DATA SHEET                       |  NCV86603D33R2G.pdf |
| VOLTAGE DROPOUT (MAX)            | -                                                                                                      |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.3V                                                                                                   |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                      |
| VOLTAGE - INPUT (MAX)            | 40V                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                                 |
| SERIES                           | Automotive, AEC-Q100                                                                                   |
| PROTECTION FEATURES              | Over Current, Over Temperature                                                                         |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                          |
| PSRR                             | 60dB (100Hz)                                                                                           |
| OUTPUT TYPE                      | Fixed                                                                                                  |
| OUTPUT CONFIGURATION             | Positive                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 150°C                                                                                          |
| NUMBER OF REGULATORS             | 1                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 3.3V 150mA 8-SOIC                                  |
| CURRENT - SUPPLY (MAX)           | 40µA                                                                                                   |
| CURRENT - QUIESCENT (IQ)         | 30µA                                                                                                   |
| CURRENT - OUTPUT                 | 150mA                                                                                                  |
| CONTROL FEATURES                 | Reset                                                                                                  |
| BASE PART NUMBER                 | NCV86603                                                                                               |
