Image may be representation. See specifications for product details.

Part Number:ADM2209EARU-REEL7

Manufacturer/Brand:ADI (Analog Devices, Inc.)

Product description:IC TXRX6/10 RS-232 12V 38TSSOP

Datasheets:ADM2209EARU-REEL7.pdf

RoHs Status:Contains lead / RoHS non-compliant

Stock Condition:2727 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of ADM2209EARU-REEL7

|                                  |                                                                                                           |
|----------------------------------|-----------------------------------------------------------------------------------------------------------|

| DESCRIPTION                      | IC TXRX6/10 RS-232 12V 38TSSOP                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                        |
| QUANTITY AVAILABLE               | 2727 pcs                                                                                                  |
| DATA SHEET                       |  ADM2209EARU-REEL7.pdf |
| VOLTAGE - SUPPLY                 | 10.8 V ~ 13.2 V                                                                                           |
| TYPE                             | Transceiver                                                                                               |
| SUPPLIER DEVICE PACKAGE          | 38-TSSOP                                                                                                  |
| SERIES                           | -                                                                                                         |
| RECEIVER HYSTERESIS              | 250mV                                                                                                     |
| PROTOCOL                         | RS232                                                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                                                          |
| PACKAGE / CASE                   | 38-TFSOP (0.173", 4.40mm Width)                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                              |
| NUMBER OF DRIVERS/RECEIVERS      | 6/10                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                        |
| DUPLEX                           | Full                                                                                                      |
| DETAILED DESCRIPTION             | 6/10 Transceiver Full RS232 38-TSSOP                                                                      |
| DATA RATE                        | 460Kbps                                                                                                   |
| BASE PART NUMBER                 | ADM2209                                                                                                   |
