| DATA SHEET                       |  <a href="#">H11AA1300W.pdf</a> |
| VOLTAGE - OUTPUT (MAX)           | 30V                                                                                                                |
| VOLTAGE - ISOLATION              | 5300Vrms                                                                                                           |
| VOLTAGE - FORWARD (VF) (TYP)     | 1.2V                                                                                                               |
| VCE SATURATION (MAX)             | 400mV                                                                                                              |
| TURN ON / TURN OFF TIME (TYP)    | -                                                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 6-DIP                                                                                                              |
| SERIES                           | -                                                                                                                  |
| RISE / FALL TIME (TYP)           | -                                                                                                                  |
| PACKAGING                        | Tube                                                                                                               |
| PACKAGE / CASE                   | 6-DIP (0.400", 10.16mm)                                                                                            |
| OUTPUT TYPE                      | Transistor with Base                                                                                               |
| OPERATING TEMPERATURE            | -55°C ~ 100°C                                                                                                      |
| NUMBER OF CHANNELS               | 1                                                                                                                  |
| MOUNTING TYPE                    | Through Hole                                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                         |
| INPUT TYPE                       | AC, DC                                                                                                             |
| DETAILED DESCRIPTION             | Optoisolator Transistor with Base Output 5300Vrms 1 Channel 6-DIP                                                  |
| CURRENT TRANSFER RATIO (MIN)     | 20% @ 10mA                                                                                                         |
| CURRENT TRANSFER RATIO (MAX)     | -                                                                                                                  |
| CURRENT - OUTPUT / CHANNEL       | -                                                                                                                  |
| CURRENT - DC FORWARD (IF) (MAX)  | 100mA                                                                                                              |
