CY8C21434-24LKXI

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | CY8C21434-24LKXI                                                                                             |
| Manufacturer/Brand: | Cypress Semiconductor                                                                                        |
| Product description | IC MCU 8BIT 8KB FLASH 32QFN                                                                                  |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 4445 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of CY8C21434-24LKXI

|                                  |                                                                                     |
|----------------------------------|-------------------------------------------------------------------------------------|
| PART NUMBER                      | CY8C21434-24LKXI                                                                    |
| MANUFACTURER                     | Cypress Semiconductor                                                               |
| DESCRIPTION                      | IC MCU 8BIT 8KB FLASH 32QFN                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                          |
| QUANTITY AVAILABLE               | 4445 pcs                                                                            |
| DATA SHEET                       |                                                                                     |
| VOLTAGE - SUPPLY (VCC/VDD)       | 2.4 V ~ 5.25 V                                                                      |
| SUPPLIER DEVICE PACKAGE          | 32-QFN (5x5)                                                                        |
| SPEED                            | 24MHz                                                                               |
| SERIES                           | PSOC®1 CY8C21xxx                                                                    |
| RAM SIZE                         | 512 x 8                                                                             |
| PROGRAM MEMORY TYPE              | FLASH                                                                               |
| PROGRAM MEMORY SIZE              | 8KB (8K x 8)                                                                        |
| PERIPHERALS                      | POR, PWM, WDT                                                                       |
| PACKAGING                        | Tray                                                                                |
| PACKAGE / CASE                   | 32-UFQFN Exposed Pad                                                                |
| OSCILLATOR TYPE                  | Internal                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                   |
| NUMBER OF I/O                    | 28                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                          |
| EEPROM SIZE                      | -                                                                                   |
| DETAILED DESCRIPTION             | M8C PSOC®1 CY8C21xxx Microcontroller IC 8-Bit 24MHz 8KB (8K x 8) FLASH 32-QFN (5x5) |
| DATA CONVERTERS                  | A/D 28x8b                                                                           |
| CORE SIZE                        | 8-Bit                                                                               |
| CORE PROCESSOR                   | M8C                                                                                 |
| CONNECTIVITY                     | I²C, SPI, UART/USART                                                                |
| BASE PART NUMBER                 | CY8C21434                                                                           |
