

ON Semiconductor®

ON

AMI Semiconductor / ON

Semiconductor

Part Number:74ACQ543SC

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC TRANSCVR NON-INVERT 6V 24SOIC

Datasheets: 74ACQ543SC.pdf

RoHs Status: Contains lead / RoHS non-compliant

Stock Condition:3018 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of 74ACQ543SC

|                                  |                                                                                                    |

| PART NUMBER                      | 74ACQ543SC                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                               |
| DESCRIPTION                      | IC TRANSCVR NON-INVERT 6V 24SOIC                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                 |
| QUANTITY AVAILABLE               | 3018 pcs                                                                                           |
| DATA SHEET                       |  74ACQ543SC.pdf |
| VOLTAGE - SUPPLY                 | 2 V ~ 6 V                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 24-SOIC                                                                                            |
| SERIES                           | 74ACQ                                                                                              |
| PACKAGING                        | Tube                                                                                               |
| PACKAGE / CASE                   | 24-SOIC (0.295", 7.50mm Width)                                                                     |
| OUTPUT TYPE                      | 3-State                                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                  |
| NUMBER OF ELEMENTS               | 1                                                                                                  |
| NUMBER OF BITS PER ELEMENT       | 8                                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                      |
| LOGIC TYPE                       | Transceiver, Non-Inverting                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                 |
| INPUT TYPE                       | -                                                                                                  |
| DETAILED DESCRIPTION             | Transceiver, Non-Inverting 1 Element 8 Bit per Element 3-State Output 24-SOIC                      |
| CURRENT - OUTPUT HIGH, LOW       | 24mA, 24mA                                                                                         |
| BASE PART NUMBER                 | 74ACQ543                                                                                           |
