| PART NUMBER                      | 70V9079L9PFI8                                                                         |
| MANUFACTURER                     | IDT (Integrated Device Technology)                                                    |
| DESCRIPTION                      | IC SRAM 256K PARALLEL 100TQFP                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                    |
| QUANTITY AVAILABLE               | 6947 pcs                                                                              |
| DATA SHEET                       |                                                                                       |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                                                     |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                           |
| TECHNOLOGY                       | SRAM - Dual Port, Synchronous                                                         |
| SUPPLIER DEVICE PACKAGE          | 100-TQFP (14x14)                                                                      |
| SERIES                           | -                                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                                      |
| PACKAGE / CASE                   | 100-LQFP                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                         |
| MEMORY TYPE                      | Volatile                                                                              |
| MEMORY SIZE                      | 256Kb (32K x 8)                                                                       |
| MEMORY INTERFACE                 | Parallel                                                                              |
| MEMORY FORMAT                    | SRAM                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                    |
| DETAILED DESCRIPTION             | SRAM - Dual Port, Synchronous Memory IC 256Kb (32K x 8) Parallel 9ns 100-TQFP (14x14) |
| ACCESS TIME                      | 9ns                                                                                   |
