Nuvoton Technology Corporation

America

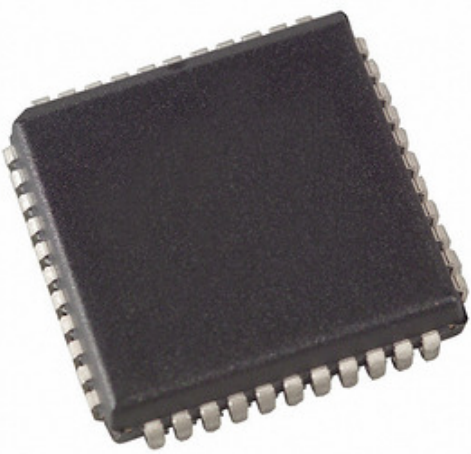

Image may be representation. See specifications for product details.

Part Number:W78L054A24PL

Manufacturer/Brand:Nuvoton Technology Corporation America

Product description:IC MCU 8BIT 16KB FLASH 44PLCC

Datasheets: W78L054A24PL.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:4222 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of W78L054A24PL

|                                  |                                                                                                      |

| MANUFACTURER                     | Nuvoton Technology Corporation America                                                               |
| DESCRIPTION                      | IC MCU 8BIT 16KB FLASH 44PLCC                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| QUANTITY AVAILABLE               | 4222 pcs                                                                                             |
| DATA SHEET                       |  W78L054A24PL.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 2.4 V ~ 5.5 V                                                                                        |
| SPEED                            | 24MHz                                                                                                |
| SERIES                           | W78                                                                                                  |
| RAM SIZE                         | 256 x 8                                                                                              |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                |
| PROGRAM MEMORY SIZE              | 16KB (16K x 8)                                                                                       |
| PERIPHERALS                      | POR, WDT                                                                                             |
| PACKAGING                        | Tube                                                                                                 |
| PACKAGE / CASE                   | 44-LCC (J-Lead)                                                                                      |
| OSCILLATOR TYPE                  | Internal                                                                                             |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                      |
| NUMBER OF I/O                    | 36                                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| EEPROM SIZE                      | -                                                                                                    |
| DETAILED DESCRIPTION             | 8051 W78 Microcontroller IC 8-Bit 24MHz 16KB (16K x 8) FLASH                                         |
| DATA CONVERTERS                  | -                                                                                                    |
| CORE SIZE                        | 8-Bit                                                                                                |
| CORE PROCESSOR                   | 8051                                                                                                 |
| CONNECTIVITY                     | EBI/EMI, UART/USART                                                                                  |
