Image may be representation. See specifications for product details.

Part Number:

TC74VHC4040FT(EL,M)

Manufacturer/Brand:

Toshiba Semiconductor and Storage

Product description

IC COUNTER BIN 12 STAGE 16-TSSOP

Datasheets:

PDF

TC74VHC4040FT(EL,M).pdf

RoHs Status

RoHS

Lead free / RoHS Compliant

Stock Condition

6198 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of TC74VHC4040FT(EL,M)

|                                  |                                                                                                                |
|----------------------------------|----------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | TC74VHC4040FT(EL,M)                                                                                            |

| DESCRIPTION                      | IC COUNTER BIN 12 STAGE 16-TSSOP                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                     |
| QUANTITY AVAILABLE               | 6198 pcs                                                                                                       |
| DATA SHEET                       | <div><div>PDF</div>TC74VHC4040FT(EL,M).pdf</div>                                                               |
| VOLTAGE - SUPPLY                 | 2V ~ 5.5V                                                                                                      |
| TRIGGER TYPE                     | Negative Edge                                                                                                  |
| TIMING                           | -                                                                                                              |
| SUPPLIER DEVICE PACKAGE          | 16-TSSOP                                                                                                       |
| SERIES                           | TC74VHC                                                                                                        |
| RESET                            | Asynchronous                                                                                                   |
| PACKAGING                        | Cut Tape (CT)                                                                                                  |
| PACKAGE / CASE                   | 16-TSSOP (0.173", 4.40mm Width)                                                                                |
| OTHER NAMES                      | 74VHC4040FT(ELM)CT<br>74VHC4040FT(ELM)CT-ND<br>TC74VHC4040FT(ELM)CT<br>TC74VHC4040FTMCT<br>TC74VHC4040FTMCT-ND |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                   |
| NUMBER OF ELEMENTS               | 1                                                                                                              |
| NUMBER OF BITS PER ELEMENT       | 12                                                                                                             |
| MOUNTING TYPE                    | Surface Mount                                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                  |
| LOGIC TYPE                       | Binary Counter                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                     |
| DIRECTION                        | Up                                                                                                             |
| DETAILED DESCRIPTION             | Counter IC Binary Counter 1 Element 12 Bit Negative Edge 16-TSSOP                                              |
| COUNT RATE                       | 125MHz                                                                                                         |
