

Diodes Incorporated

PI6ULS5V9627AQE

Part Number:PI6ULS5V9627AQE

Manufacturer/Brand:Diodes Incorporated

Product description:IC REDRIVER 4 CHAN I2C 16QSOP

Datasheets:PI6ULS5V9627AQE.pdf

RoHs Status:Lead free / RoHS Compliant

Stock Condition:54598 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of PI6ULS5V9627AQE

|                                  |                                                                                                         |
|----------------------------------|---------------------------------------------------------------------------------------------------------|

| DESCRIPTION                      | IC REDRIVER 4 CHAN I2C 16QSOP                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| QUANTITY AVAILABLE               | 54598 pcs                                                                                               |
| DATA SHEET                       |  PI6ULS5V9627AQE.pdf |
| VOLTAGE - SUPPLY                 | 2.2 V ~ 5.5 V                                                                                           |
| TYPE                             | Buffer, ReDriver                                                                                        |
| SIGNAL CONDITIONING              | -                                                                                                       |
| SERIES                           | -                                                                                                       |
| OUTPUT                           | 2-Wire Bus                                                                                              |
| OPERATING TEMPERATURE            | -                                                                                                       |
| NUMBER OF CHANNELS               | 4                                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| INPUT                            | 2-Wire Bus                                                                                              |
| DETAILED DESCRIPTION             | Buffer, ReDriver 4 Channel                                                                              |
| DELAY TIME                       | -                                                                                                       |
| DATA RATE (MAX)                  | -                                                                                                       |
| CURRENT - SUPPLY                 | 1mA                                                                                                     |
| CAPACITANCE - INPUT              | 10pF                                                                                                    |
| APPLICATIONS                     | I²C                                                                                                     |
