| DATA SHEET                       |  JANTX4N47.pdf |
| VOLTAGE - OUTPUT (MAX)           | 40V                                                                                               |
| VOLTAGE - ISOLATION              | 1000VDC                                                                                           |
| VOLTAGE - FORWARD (VF) (TYP)     | 1.5V (Max)                                                                                        |
| VCE SATURATION (MAX)             | 300mV                                                                                             |
| TURN ON / TURN OFF TIME (TYP)    | -                                                                                                 |
| SUPPLIER DEVICE PACKAGE          | TO-78-6                                                                                           |
| SERIES                           | -                                                                                                 |
| RISE / FALL TIME (TYP)           | 20µs, 20µs (Max)                                                                                  |
| PACKAGING                        | Bulk                                                                                              |
| PACKAGE / CASE                   | TO-78-6 Metal Can                                                                                 |
| OUTPUT TYPE                      | Transistor with Base                                                                              |
| OTHER NAMES                      | 365-1964                                                                                          |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                     |
| NUMBER OF CHANNELS               | 1                                                                                                 |
| MOUNTING TYPE                    | Through Hole                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| INPUT TYPE                       | DC                                                                                                |
| DETAILED DESCRIPTION             | Optoisolator Transistor with Base Output 1000VDC 1 Channel TO-78-6                                |
| CURRENT TRANSFER RATIO (MIN)     | 50% @ 1mA                                                                                         |
| CURRENT TRANSFER RATIO (MAX)     | -                                                                                                 |
| CURRENT - OUTPUT / CHANNEL       | 50mA                                                                                              |
| CURRENT - DC FORWARD (IF) (MAX)  | 40mA                                                                                              |
