JN5161/001,518

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | JN5161/001,518                                                                                               |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC RF TXRX+MCU 802.15.4 40-VFQFN                                                                             |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 40094 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of JN5161/001,518

|                                  |                                                                  |
|----------------------------------|------------------------------------------------------------------|
| PART NUMBER                      | JN5161/001,518                                                   |
| MANUFACTURER                     | NXP Semiconductors / Freescale                                   |
| DESCRIPTION                      | IC RF TXRX+MCU 802.15.4 40-VFQFN                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| QUANTITY AVAILABLE               | 40094 pcs                                                        |
| DATA SHEET                       |                                                                  |
| VOLTAGE - SUPPLY                 | 2 V ~ 3.6 V                                                      |
| TYPE                             | TxRx + MCU                                                       |
| SERIES                           | -                                                                |
| SERIAL INTERFACES                | I²C, JTAG, SPI, UART                                             |
| SENSITIVITY                      | -96dBm                                                           |
| RF FAMILY/STANDARD               | 802.15.4                                                         |
| PROTOCOL                         | ZigbeePRO®                                                       |
| POWER - OUTPUT                   | 2.5dBm                                                           |
| PACKAGING                        | Tape & Reel (TR)                                                 |
| PACKAGE / CASE                   | 40-VFQFN Exposed Pad                                             |
| OTHER NAMES                      | 935297811518                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                    |
| MODULATION                       | O-QPSK                                                           |
| MEMORY SIZE                      | 64kB Flash, 4kB EEPROM, 8kB RAM                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| GPIO                             | 20                                                               |
| FREQUENCY                        | 2.4GHz                                                           |
| DETAILED DESCRIPTION             | IC RF TxRx + MCU 802.15.4 ZigbeePRO® 2.4GHz 40-VFQFN Exposed Pad |
| DATA RATE (MAX)                  | 1Mbps                                                            |
| CURRENT - TRANSMITTING           | 15.3mA                                                           |
| CURRENT - RECEIVING              | 17mA                                                             |
