| DESCRIPTION                       | IC COMPARATOR QUAD 18V DIP14                                                                                    |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                      |
| QUANTITY AVAILABLE                | 107757 pcs                                                                                                      |
| DATA SHEET                        |  <a href="#">BA10339.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 36 V, ±1.5 V ~ 18 V                                                                                       |
| VOLTAGE - INPUT OFFSET (MAX)      | 5mV @ 5V                                                                                                        |
| TYPE                              | General Purpose                                                                                                 |
| SUPPLIER DEVICE PACKAGE           | 14-DIP                                                                                                          |
| SERIES                            | -                                                                                                               |
| PROPAGATION DELAY (MAX)           | -                                                                                                               |
| PACKAGING                         | Tube                                                                                                            |
| PACKAGE / CASE                    | 14-DIP (0.300", 7.62mm)                                                                                         |
| OUTPUT TYPE                       | Open Collector                                                                                                  |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                                    |
| NUMBER OF ELEMENTS                | 4                                                                                                               |
| MOUNTING TYPE                     | Through Hole                                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                      |
| HYSTERESIS                        | -                                                                                                               |
| DETAILED DESCRIPTION              | Comparator General Purpose Open Collector 14-DIP                                                                |
| CURRENT - QUIESCENT (MAX)         | 2mA                                                                                                             |
| CURRENT - OUTPUT (TYP)            | 16mA @ 5V                                                                                                       |
| CURRENT - INPUT BIAS (MAX)        | 0.25µA @ 5V                                                                                                     |
| CMRR, PSRR (TYP)                  | -                                                                                                               |
