| DESCRIPTION                      | IC DAC 24BIT STEREO 2VRMS 14SOIC                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| QUANTITY AVAILABLE               | 5686 pcs                                                                                             |
| DATA SHEET                       |  WM8521CHCGED.pdf |
| VOLTAGE SUPPLY SOURCE            | Analog and Digital                                                                                   |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 13.2 V                                                                                       |
| TYPE                             | DAC, Audio                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 14-SOIC                                                                                              |
| SERIES                           | -                                                                                                    |
| SAMPLING RATE (PER SECOND)       | 192k                                                                                                 |
| RESOLUTION (BITS)                | 24 b                                                                                                 |
| PACKAGING                        | Tube                                                                                                 |
| PACKAGE / CASE                   | 14-SOIC (0.154", 3.90mm Width)                                                                       |
| OPERATING TEMPERATURE            | -25°C ~ 85°C                                                                                         |
| NUMBER OF CHANNELS               | 2                                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| DETAILED DESCRIPTION             | DAC, Audio 24 bit 192k DSP, I²S 14-SOIC                                                              |
| DATA INTERFACE                   | DSP, I²S                                                                                             |
