| QUANTITY AVAILABLE               | 71072 pcs                                                                                              |
| DATA SHEET                       |  MCP79522T-I/MS.pdf |
| VOLTAGE - SUPPLY, BATTERY        | 1.3 V ~ 3.6 V                                                                                          |
| VOLTAGE - SUPPLY                 | 1.8 V ~ 3.6 V                                                                                          |
| TYPE                             | Clock/Calendar                                                                                         |
| TIME FORMAT                      | HH:MM:SS:hh (12/24 hr)                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 10-MSOP                                                                                                |
| SERIES                           | -                                                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 10-TFSOP, 10-MSOP (0.118", 3.00mm Width)                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| MEMORY SIZE                      | 64B                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| INTERFACE                        | SPI                                                                                                    |
| FEATURES                         | Alarm, EEPROM, Leap Year, Square Wave Output, SRAM, Unique ID                                          |
| DETAILED DESCRIPTION             | Real Time Clock (RTC) IC Clock/Calendar 64B SPI 10-TFSOP, 10-MSOP (0.118", 3.00mm Width)               |
| DATE FORMAT                      | YY-MM-DD-dd                                                                                            |
| CURRENT - TIMEKEEPING (MAX)      | 1µA @ 1.8V ~ 3.6V                                                                                      |
