### Specifications of NBXMBB024LN1TAG

|                                  |                                                                                                                         |
|----------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NBXMBB024LN1TAG                                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                                    |
| DESCRIPTION                      | IC OSC XTAL 622.08MHZ 6CLCC                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| QUANTITY AVAILABLE               | 18037 pcs                                                                                                               |
| DATA SHEET                       |  <a href="#">NBXMBB024LN1TAG.pdf</a> |
| VOLTAGE - SUPPLY                 | 2.375 V ~ 3.63 V                                                                                                        |
| TYPE                             | Oscillator, Crystal                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 6-CLCC (7x5)                                                                                                            |
| SERIES                           | PureEdge™                                                                                                               |
| PACKAGING                        | Tape & Reel (TR)                                                                                                        |
| PACKAGE / CASE                   | 6-CLCC                                                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                            |
| MOUNTING TYPE                    | Surface Mount                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| FREQUENCY                        | 622.08MHz                                                                                                               |
| DETAILED DESCRIPTION             | Oscillator, Crystal IC 622.08MHz 6-CLCC (7x5)                                                                           |
| CURRENT - SUPPLY                 | 95mA                                                                                                                    |
| COUNT                            | -                                                                                                                       |
| BASE PART NUMBER                 | NBXMBB024                                                                                                               |
