

Part Number:AD5220BR10-REEL7

Manufacturer/Brand:ADI (Analog Devices, Inc.)

Product description:IC DGTL POT SNGL 128POS 8-SOIC

Datasheets: [AD5220BR10-REEL7.pdf](#)

RoHs Status: Contains lead / RoHS non-compliant

Stock Condition:5351 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of AD5220BR10-REEL7

|                                  |                                                                                                                          |

| DESCRIPTION                      | IC DGTL POT SNGL 128POS 8-SOIC                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                       |
| QUANTITY AVAILABLE               | 5351 pcs                                                                                                                 |
| DATA SHEET                       |  <a href="#">AD5220BR10-REEL7.pdf</a> |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                                            |
| TOLERANCE                        | ±30%                                                                                                                     |
| TEMPERATURE COEFFICIENT (TYP)    | 800 ppm/°C                                                                                                               |
| TAPER                            | Linear                                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                                                   |
| SERIES                           | -                                                                                                                        |
| RESISTANCE - WIPER (OHMS) (TYP)  | 40                                                                                                                       |
| RESISTANCE (OHMS)                | 10k                                                                                                                      |
| PACKAGING                        | Original-Reel®                                                                                                           |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                                            |
| OTHER NAMES                      | AD5220BR10-REEL7DKR                                                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                             |
| NUMBER OF TAPS                   | 128                                                                                                                      |
| NUMBER OF CIRCUITS               | 1                                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                            |
| MEMORY TYPE                      | Volatile                                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                       |
| INTERFACE                        | Up/Down (U/D, CS)                                                                                                        |
| FEATURES                         | -                                                                                                                        |
| DETAILED DESCRIPTION             | Digital Potentiometer 10k Ohm 1 Circuit 128 Taps Up/Down (U/D, CS) Interface 8-SOIC                                      |
| CONFIGURATION                    | Potentiometer                                                                                                            |
