Specifications of OCP-PCT4116/E-TR

|                                  |                                                          |
|----------------------------------|----------------------------------------------------------|
| PART NUMBER                      | OCP-PCT4116/E-TR                                         |
| MANUFACTURER                     | Lumex, Inc.                                              |
| DESCRIPTION                      | OPTOISOLTR 5KV 4CH TRANS 16-SMD                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                               |
| QUANTITY AVAILABLE               | 5054 pcs                                                 |
| DATA SHEET                       |                                                          |
| VOLTAGE - OUTPUT (MAX)           | 60V                                                      |
| VOLTAGE - ISOLATION              | 5000Vrms                                                 |
| VOLTAGE - FORWARD (VF) (TYP)     | 1.2V                                                     |
| VCE SATURATION (MAX)             | 300mV                                                    |
| TURN ON / TURN OFF TIME (TYP)    | -                                                        |
| SUPPLIER DEVICE PACKAGE          | 16-SMD                                                   |
| SERIES                           | -                                                        |
| RISE / FALL TIME (TYP)           | 5µs, 4µs                                                 |
| PACKAGING                        | Tube                                                     |
| PACKAGE / CASE                   | 16-SMD, Gull Wing                                        |
| OUTPUT TYPE                      | Transistor                                               |
| OTHER NAMES                      | 67-1618-5                                                |
| OPERATING TEMPERATURE            | -30°C ~ 100°C                                            |
| NUMBER OF CHANNELS               | 4                                                        |
| MOUNTING TYPE                    | Surface Mount                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                               |
| INPUT TYPE                       | DC                                                       |
| DETAILED DESCRIPTION             | Optoisolator Transistor Output 5000Vrms 4 Channel 16-SMD |
| CURRENT TRANSFER RATIO (MIN)     | 60% @ 2mA                                                |
| CURRENT TRANSFER RATIO (MAX)     | 600% @ 2mA                                               |
| CURRENT - OUTPUT / CHANNEL       | 50mA                                                     |
| CURRENT - DC FORWARD (IF) (MAX)  | 50mA                                                     |
