

AMI Semiconductor / ON

Semiconductor

Part Number:KAI-16070-AXA-JD-B1

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IMAGE SENSOR CCD 15.7MP 71CPGA

Datasheets: KAI-16070-AXA-JD-B1.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:17 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of KAI-16070-AXA-JD-B1

|                                  |                                                                                                             |
|----------------------------------|-------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | KAI-16070-AXA-JD-B1                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                        |
| DESCRIPTION                      | IMAGE SENSOR CCD 15.7MP 71CPGA                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                  |
| QUANTITY AVAILABLE               | 17 pcs                                                                                                      |
| DATA SHEET                       |  KAI-16070-AXA-JD-B1.pdf |
| VOLTAGE - SUPPLY                 | 14.5 V ~ 15.5 V                                                                                             |
| TYPE                             | CCD                                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 72-CPGA (47.24x45.34)                                                                                       |
| SERIES                           | -                                                                                                           |
| PIXEL SIZE                       | 7.4μm x 7.4μm                                                                                               |
| PACKAGING                        | Bulk                                                                                                        |
| PACKAGE / CASE                   | 71-BCPGA                                                                                                    |
| OPERATING TEMPERATURE            | -50°C ~ 70°C (TA)                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                  |
| FRAMES PER SECOND                | 2                                                                                                           |
| DETAILED DESCRIPTION             | CCD Image Sensor 4864H x 3232V 7.4μm x 7.4μm 72-CPGA (47.24x45.34)                                          |
| ACTIVE PIXEL ARRAY               | 4864H x 3232V                                                                                               |
