| DESCRIPTION                      | IC MCU 16BIT 1KB FLASH 32VQFN                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| QUANTITY AVAILABLE               | 113776 pcs                                                                         |
| DATA SHEET                       |                                                                                    |
| VOLTAGE - SUPPLY (VCC/VDD)       | 1.8 V ~ 3.6 V                                                                      |
| SUPPLIER DEVICE PACKAGE          | 32-VQFN (5x5)                                                                      |
| SPEED                            | 16MHz                                                                              |
| SERIES                           | MSP430G2xx                                                                         |
| RAM SIZE                         | 256 x 8                                                                            |
| PROGRAM MEMORY TYPE              | FLASH                                                                              |
| PROGRAM MEMORY SIZE              | 1KB (1K x 8)                                                                       |
| PERIPHERALS                      | Brown-out Detect/Reset, DMA, POR, PWM, WDT                                         |
| PACKAGING                        | Tape & Reel (TR)                                                                   |
| PACKAGE / CASE                   | 32-VFQFN Exposed Pad                                                               |
| OSCILLATOR TYPE                  | Internal                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                  |
| NUMBER OF I/O                    | 24                                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| EEPROM SIZE                      | -                                                                                  |
| DETAILED DESCRIPTION             | MSP430 MSP430G2xx Microcontroller IC 16-Bit 16MHz 1KB (1K x 8) FLASH 32-VQFN (5x5) |
| DATA CONVERTERS                  | -                                                                                  |
| CORE SIZE                        | 16-Bit                                                                             |
| CORE PROCESSOR                   | MSP430                                                                             |
| CONNECTIVITY                     | I²C, IrDA, LINbus, SCI, SPI, UART/USART                                            |
| BASE PART NUMBER                 | MSP430G2113                                                                        |
